19th December 2018

Dear Students of the School Council,

Christmas Donation Boxes

On behalf of everyone at The Society of St James (SSJ) I would like to thank the children from Mount Pleasant Junior School who have been collecting donations for the homeless.

I would especially like to thank the Council who I understand have worked very hard to collect the two large boxes of donations that I received this morning. The donations have already started to be delivered to the vulnerable adults that we work with.

I would personally like to thank your teachers and Ahmed and Sundis for making me feel so welcome during my visit to your school this morning. You should be very proud of your representatives, Ahmed and Sundis, who asked me some very searching questions about the people who benefit from the work of the Society of St James.

Thank you once again for your support.

Yours sincerely,

Michelle Jeffery
Business Development Manager
The Society of St James
